Hauliers Declaration

When collecting, carrying, storing and delivering air cargo/mail on behalf of **fischer road cargo ag** to which security controls have been applied, I **Laurens Tullemans Trucking SP. Z.O.O. Wspolna 7B, 45-837 Opole** confirm that the following security procedures will be adhered to:

- In accordance with Regulations for security for air cargo/mail (VSL, SR 748.122)

1) All staff who transport this air cargo/mail will have received general security awarness training in accordance with chapter 11.2.6 (EU regulation 2015/1998 para. 11.2.7).
2) The integrity of all staff being recruited with access to this air cargo/mail will be verified. This verification shall include at least a check of the identity (if possible by photographic identity card, driving licence or passport) and a check of the curriculum vitae and/or provided references.
3) Load compartments in vehicles will be sealed or locked. Curtain sided vehicles will be secured with TIR cords. The load areas of flatbed trucks will be kept under observation when air cargo is being transported.
4) Immediately prior to loading, the load compartment will be searched and the integrity of this search maintained until loading is completed.
5) Each driver will carry an identity card, passport, driving licence or other document, containing a photograph of the person, which has been issued or recognised by national authorities.
6) Drivers will not make unscheduled stops between collection and delivery. Where this is unavoidable, the driver will check the security of the load and integrity of locks and/or seals on his return. If the driver discovers any evidence of interference, he will notify his supervisor and the air cargo/mail will not be delivered without notification at delivery.
7) The haulier ensures that collected goods (especially quantity of collected colis by the driver) are in accordance with the forwarding order and/or delivery note.
8) The haulier accepts only freight that has been mentioned by its client **fischer road cargo ag** and in accordance with the prescript documentation.
9) Transport will be subcontracted to a third party, unless the third party:
   a) has a haulier agreement with the regulated agent, known consignor or account consignor responsible for the transport [above mentioned name] or
   b) is approved or certified by the appropriate authority or
   c) has a haulier agreement with the undersigned haulier requiring that the third party will not subcontract furhter and implements the security procedures contained in this declaration. The undersigned haulier retains full responsibility for the entire transport on behalf of the regulated agent, known consignor or account consignor
10) No other services (e.g. storage) will be sub-contracted to any other party other than a regulated agent or an entity that has been certified or approved and listed for the provision of these services by the appropriate authority.

I also confirm that a list with all involved staff has been established, which have access to places where known freight for air cargo/mail has been received, packed, stored and/or transported. The list contains all necessary data (name, surname, birth date, citizenship and signature) of persons which have access to my rooms and facilities. **fischer road cargo ag** may see the list at any time.
